THE TROJAN

To Vivian,

It is not the pen that writes friend but the friend that writes with the pen. Remember that one great secret of success is constancy of purpose. "A forever lasting friend."

Remember me as your kind & loyal friend. Let your life be like arithmetic, joys added, sorrows subtracted, friends multiplied, love undivided.

Peaches,
Chuck &
Trevor

Look back & remember all of the fun that we have had these long two years. Never forget me, for I know you won't. I hope that you & Larry have the best of luck. Don't have too many kids (smile).

Alma Mater

Pattillo High, Pattillo High;
To your ideals we will aspire.
Maroon and Gold, our emblem bold,
Beckons us on as knights of old.

Thy noble sons, thy daughters fair;
Life standards high with bugles blair.
Long as thy God is God above.
We'll sing thy praises---and show thee love.

Foreword

"Always desire more than you accomplish." This was the motto and the steady reminder which prodded, inspired, and guided the Yearbook staff of the 1967 "Trojan."

This yearbook was one of the greatest challenges of our high school years. It reflects the many trials and accomplishments which are an infinite part of school life. Our goal was to present a composite picture of these undertakings. The fulfillment of this goal meant sifting through the staggering wealth of ideas and happenings to bring you the best. To you, our heirs, we, the Yearbook staff proudly present our humble legacy, the 1967 Trojan.

Editor-in-Chief

The Editor and

James M. Knight, because of his creative art ability, was selected Editor-in-Chief by the Seniors of 1967. Without the guidance of Miss Harriot, the advisor, and the efficient staff, this yearbook would not be possible.

To You With Our Love

"Honor thy father and thy mother, that thy days may be longer upon the land which the Lord thy God giveth thee."

Because you love me, I have much achieved,
Had you despised me than I must have failed.
But since I knew you trusted and believed,
I could not disappoint you and so prevailed.

To the parents of the Class of 1967 we respectfully and proudly dedicate the 1967 Trojan as a symbol of our infinite appreciation.

Our Principal . . .

Congratulations to the senior class for your enthusiasm, initiative, and effort in the publication of this yearbook.

As principal, I want to extend my best wishes to all those who are looking forward to a higher education and commend you for having availed yourselves to the opportunity afforded at Pattillo School. As you go forth into an adventure of your own, you must continue to remember that education is a continuous process and does not end when you leave the school building. Whatever tomorrow brings, live it worthily and strive to achieve the greatest that is in each of you for it is only in achievement that we fulfill our purpose.

To you, our future citizens, strive for the finer things in life. I bid the Class of '67 God's speed. You have my best wishes for continued success. CONGRATULATIONS!

The "MOST COURTEOUS" Seniors are Margaret Johnson and Willie Staton.

Because they are extremely respectful and courteous, the title was given them without any hesitancy at all!!

YOU'RE WELCOME

HELLO.....HOW ARE YOU?

GOOD MORNING!

YES SIR...

Superlatives!

Seniors Bettie Williams and Glenn Mays are selected as the "BEST LOOKING." Judging from this picture, we Seniors think we were absolutely right!! Don't you?

Because of their ability to accept a job and do it well, we Seniors chose Carolyn Hines and John Williams as "MOST DEPENDABLE"

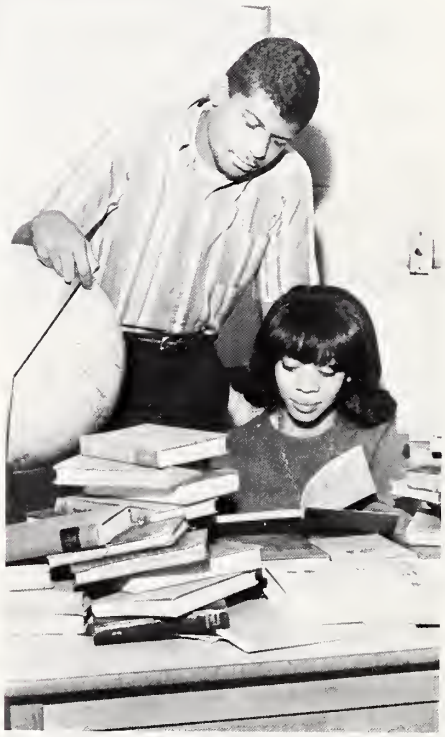
"MOST ATHLETIC"

Pattillo High has always been expected to do well in sports. With Gayle Harrison and Felton Belcher, we have done just that!!

Superlatives are . . .

Because of their varied interests, versatility in subject matter, co-operation, and their evident success, Ann Batts and Herbert Exum were chosen "MOST LIKELY TO SUCCEED."

We Seniors feel sure that Ann and Herb will continue to display to us and to the world that all it takes is work, work, work, work.....



Linda Lewis and Quincy Robinson are scholars to be reckoned with. They're the "MOST SCHOLASTIC" Seniors. Don't worry. While they're almost always busy reading books, they do find time to catch up on all of their homework!

There is no wonder why Jane Ward and Willie Pettaway were chosen "BEST DRESSED." Their wardrobes are perhaps the best on campus!!!

. . . what's happenin'!

Bettie Williams and Felton Belcher are the "MOST POPULAR" Seniors. Their ability to mix with any crowd and add enthusiasm to events around campus won them this title, one that they surely deserve!!

If you have by any chance heard any hilarious jokes around campus, they probably originated from either Vinie Knight or Leonard Giles. These two are the "WITTIEST" Seniors.

Aug., 1963 Senior Class

On August 31, 1963, a Freshman class of 137 members entered the halls of the W. A. Pattillo High School. Our class was one of the most competitive, enthusiastic, and intelligent groups ever. We were eager to begin, and did so by electing our class officers, who were as follows: President: Quincy Robinson, Vice-President: James M. Knight, Secretary; Janice Wooten, Assistant Secretary: Paula Brown, Treasurer: Carolyn Hines, Business Managers: Donald Betrand and Herbert Exum. It was then that six girls out of our class were chosen to be cheerleaders. ~~Eliza Flowers~~, Janice Wooten, Helen Heath, Ann Batts, Evelyn Pettaway, and Paula Brown weren't accepted too well at first by the student body, but they merely proved themselves capable of the job. Under the leadership of Mr. J. A. Barnes, Mrs. S. B. Freeman, and Mrs. L. F. Kilpatrick, our class did countless things!

Starting a new year, our Sophomore year, we engaged in many new activities, sponsored by Mr. D. E. Smoot, Miss D. L. Hodge, Mrs. M. J. Bulluck, and Mrs. Ford. Our period of adjustment was over then, and we really got down to work. We had now gained a sense of duty. We grew increasingly in every aspect of school life. Our officers were: President: Ann Batts, Vice President: James M. Knight, Secretary: Joyce Manning, and Treasurer: Carolyn Hines. Besides engaging in such activities as the band, glee club, and so many others, we had three outstanding varsity basketball players: Felton, Belcher, captain, and Samuel Arnold. John Bryant was also at this time captain of the junior varsity. There were several band awards given to our class members for outstanding participation. They were: Gayle Harrison, James M. Knight, Veronica Bradley, and Eugene Cherry. ~~Brenda Cotten~~ had just become eligible for head majorette. Academically, we had Herbert Exum and James M. Knight, who were candidates in the upper 10% of the National Merit Scholarship Test. Continuing their studies during the summer were Herbert Exum at the Governor's School, James M. Knight and Eugene Cherry at Palmer Institute, and Quincy Robinson at Yale University. All four of these talented "rising Juniors" brought back excellent records. Our Sophomore year ended with our big social event of the year----------our Sophomore Ball.

The years were passing by and we were Juniors. Our prom was to take place, and it was the thing we had been looking forward to most. Our theme, "SHOWER OF STARS", was very beautiful and quite successful. It was said to have been the best prom in the last five years. Of course, under the sponsorship of Mrs. S. M. Thomas, Mr. R. A. Moss, and Miss M. E. Moss, it couldn't fail! They were three of the wisest sponsors that ever confronted our class. Our class was quite popular and had leaders in almost every club and organization the school had. Bettie Williams, a majorette for four years, had just become drum majorette. We had many students interested in their education and wanted to continue it throughout the summer, so what did they do? They went to

History May, 1967

— by Veronica Bradley

summer school! Ann Batts, Veronica Bradley, Janice Thomas, Eugene Cherry, and Richard Smith went to Bennet College in Greensboro, North Carolina. Quincy Robinson went to Yale Summer School in Connecticut again. Our Junior year was one full of unforgettable memories.

As for our class beauties, we had several queens. As shining examples of personality, poise, feminintiy, self-respect, and respect for others, these young ladies had it. Claretha Knight was Miss Freshman and Miss Jr. and Sr. Shop, Bettie Williams was an attendant for Miss Pattillo in our Freshman year, and Helen Heath was the Freshman attendant for Miss Homecoming. Our Sophomore attendant for Miss Pattillo High was Veronica Bradley, and Bettie Williams was the Sophomore attendant for Miss Homecoming. In our Senior year, Joyce Manning was crowned Miss Pattillo High, and Janice Wooten-----Miss Homecoming. Marsha Baker was her Senior attendant. Jane Ward was Miss Commerce, Veronica Bradley was Miss SLA, and Miss Senior was Vinie Knight.

Last but not least, our Senior year. Under the direction of Miss J. M. Harriot, Mr. G. C. Matthewson, Mrs. M. Bulluck, and Mr. R. A. Moss, we had numerous activities to make successful. Contributing their leadership services were: President: Herbert Exum, Vice President, Ann Batts, Secretary: Janice Wooten, Assistant Secretary: Helen Heath, Treasurer: Eugene Cherry, Editor of the Yearbook, James M. Knight, and Business Managers: Jimmie Roberts and ~~Brenda Cotten.~~

Leadership abilities were shown well in our Senior Year. Herbert Exum was a finalist in the National Achievement Test. Our bi-monthly school newspaper, the Trojan Journal, was edited by Veronica Bradley. In the field of sports, we had some outstanding profiles. Football players were: John Bryant, Felton Belcher, John Williams, Leonard Draughn, Herbert Exum, Quincy Robinson, and Willie Staton. Basketball players were: John Bryant, Jimmie Roberts, Eugene Cherry, Felton Belcher, Sam Arnold, and Leonard Draughn.

We, the members of the Class of 1967, have just begun our lives. High school days are over, and our emotions are mixed. We are filled with proudness, happiness, sadness, and a sense of gain. Our accomplishments are the same, our song, motto, and dedication too, but our aims are different. The future and our goals lie ahead. We know that the future belongs to those who prepare for it.

The contents of our yearbook, as we look back through the years, are the past. But at least we can look back with this thought in mind:

UNLOCKS THE ROYAL GATE TO SUCCESS."

(Tune Danny Boy)

Pattillo High the future now is calling
For us to come and leave our homes behind.
Our hearts are grieved but we must journey onward
To succeed in life will give us peace of mind.

We're thankful for the many things we've gained here.
We've had our joys and sorrows just the same.
But now we leave and never to return here;
Pattillo High we'll always cherish thy name.

CHORUS:

To thee goodbye forever Alma Mater,
We leave you now to reveal what we have gained.
Farewell to friends, to teachers, and our parents.
Pattillo High, Pattillo High we love you so.

Pattillo Leads In Conference

Tuesday night the Pattillo Trojans humiliated the Inborden Wildcats by a 113-53 score with the reserves playing the majority of the game. The starting unit, led by Felton Belcher and otherwise composed of Jimmy Roberts, John Bryant, Eugene Cherry and Larry Taylor, outscored the visitors in the first period 33 to 9. The whole unit was replaced and after a two minute settling down period, the fresh Trojan group was off to the races. Danny White in his debut of the season, scored 11 of his 13 points during this period, sparking the second unit as they outscored the Wildcats 21-13.

During the second half, Draughn scored 23 of his 25 points while grabbing 9 rebounds. Belcher, Roberts, Bryant and Cherry were playing their usual game and scored 18, 8, 11 and 6 points, respectively after only playing ten minutes during the whole game.

Every Trojan got in the scoring column with five of them scoring in double figures. They were Belcher - 18, James Cherry - 10 Leonard Draughn - 25, John Bryant - 11 and Danny White - 13.

Other scoring Trojans were Arnold with 8, Taylor, 2, Stith with and Lloyd with 8.

Pattillo completely dominated the rebounding with 53 to Inborden's 23

Leading scorers for Enfield were L. Wills with 22 and G. Wills with 14.

Pattillo's J.V. turned back the Wildcat Cubs 71-23. This was their highest scoring game of the season.

Paced by Ernest Thomas, Limer Draughn and George Knight, the baby Trojans dominated the game from the opening tap.

This Friday the Trojans will play the Hurricanes of Speight High School. There will be only one other home game following the clash with Speight. Earlier this season the Hurricanes were defeated by a 7 point margin in Saratoga, but since, have not lost, and have defeated top ranking Conetoe along the way.

Mystery Fire In Space Cabin Kills Airman

SAN ANTONIO, Texas - One airman has been killed and another critically injured in a mysterious fire in a space cabin simulator at the School of Aerospace Medicine, at San Antonio.

A spokesman at Brooks Air Force Base says the fire broke out under conditions similar to those that killed the three Apollo astronauts at Cape Kennedy Friday.

The spokesman says the two airmen were doing routine maintenance work in an altitude chamber, rigged for an experiment on rabbits. The space cabin involved had a 100 per cent oxygen environment -- the same as in the Apollo craft.
